Re: 2017 Annual Update to the Manual of Financial Reporting Forms and Instructions for Life Insurance Companies and Fraternal Benefit Societies

The Canadian Council of Insurance Regulators (CCIR) is an inter-jurisdictional association of insurance regulators. One of CCIR's initiatives is to review the annual and quarterly financial returns filed by insurers to ensure they contain all required information and meet applicable financial reporting standards.

This is to advise you of the changes that were made to the CCIR regulatory forms and instructions.

Life – Annual Supplement/Quarterly returns and Instructions

Changes were made to Life Annual Supplement (10A) effective Q4 2016 and section VI of the instructions. A detailed summary of all changes can be found under Section VII of the instructions.

MCCSR/TAAM Forms OSFI-87/OSFI-86

Changes were made to the OSFI-87 and OSFI-86 Capital Life Annual Returns for Q4 2016. The changes can be viewed on OSFI's web site at www.osfi-bsif.gc.ca under Regulatory Data and Returns/Filing Financial Returns.
